END OF EVENT CHECKLIST

Dear Member,

Please drop off a completed copy of this checklist at the office upstairs once you've completed the post event clean up. This checklist will be reviewed by the Rear Commodore or other assigned member after the event to determine how much of the Rental Deposit is refundable. The amounts following each item are the estimated deductions from the refund if the requirement is not done.

All trash, garbage and food must be removed from the building and properly processed as detailed below. Please refer to the laminated charts posted in and around the club to verify what is recyclable and what is not. Proper disposal after an event is critical as the club will incur extra cost if additional trash or recycling pickups are required so that normal club activities are not impacted.

We hope to refund the entire deposit but remember, we are a volunteer club. If you don't clean up, someone else will have to!
