STAY-ABOARD STATUS

All non-live-aboard members in good standing who have boats in the Aeolian Yacht Club harbor, for which they pay for berthing and maintain an active Berth Agreement, may overnight on their boats ("bunking") in compliance with the following terms:

1. **Stay-aboard allotment** — Overnight bunking is authorized for the following number of days per week and year, respectively, without incurring any additional charges: *three nights a week* in a calendar week and *one three-week vacation* period in a calendar year. These allowances are limited to each membership, not compounding by keeping additional boats in the harbor to multiply allowances.
2. **Stays exceeding the weekly allotment —** If a member is going to exceed the allotment in a given week, he or she must request permission from the Port Captain before doing so. A charge of $20 a night will be charged for every extended night if the member has already exceeded the three week "vacation" period in the calendar year. Stays of more than periods stated must be approved by the Board of Directors and will be charged on a full month basis.
3. Minors are permitted to stay-aboard only with responsible adult supervision at all times.
4. Failure to request permission in writing from the Port Captain or the Board prior to an extended stay of over three (3) nights may result in a fine of up to $350.
5. The port captain must report to the Board any member who does not request permission for stays beyond the allotment without permission in writing.
